ANNEXURE TO THE NOTICE

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

Item No. 4 to 7

The Company had, pursuant to the provisions of clause 49 of the Listing Agreement entered with Stock Exchanges, appointed Mr. Mandar Patil, Mr. Rahul Tawde, Mr. Jaid Kojar and Mrs. Archana Sarode, as Independent Directors, in compliance with the requirements of the clause.

Pursuant to provisions of Section 149 of the Act, which came into effect from 1st April, 2014, every listed public company is required to have at least one-third of the total number of directors as independent directors, who are not liable to retire by rotation.

The Nomination & Remuneration Committee has recommended the appointment of these directors as Independent Directors from a period of 5year upto the conclusion of next Annual General Meeting which shall be held in the year 2019.

Mr. Mandar Patil, Mr. Rahul Tawde, Mr. Jaid Kojar and Mrs. Archana Sarode, non-executive directors of the Company, have given a declaration to the Board that they meet the criteria of independence as provided under section 149(6) of the Act. In the opinion of the Board, each of these directors fulfill the conditions specified in the Act and Rules framed thereunder for appointment as Independent Director and they are independent of the management.

Brief particular of these Director, such as their educational and professional qualification, nature of their working experience, name(s) of the companies in which they held directorships, memberships and chairmanships in various committees, their shareholding in the company, relationship between directors inter-se are provided by way of Annexure to the Notice forming part of the annual report. This statement may also be regarded as a disclosure under Clause 49 of the Listing Agreement.

In compliance with the provisions of section 149 read with schedule IV of the Act, the appointment of these directors as Independent Directors is now being placed before the members for their approval.

**Item No. 8**

The Company's Ordinary (Equity) shares are presently listed on the following Stock Exchanges in India:

1. Bombay Stock Exchange Limited, Mumbai (BSE)
2. Delhi Stock Exchange Limited.(DSE)
3. Ahmedabad Stock Exchange Limited

Consequent to the recent rapid changes in the capital market and with the availability of nationwide trading facility coupled with wide and extensive networking of centers on BSE, investors have access to online dealings in the company's securities across the country and substantial volume of trading is carried out through BSE. Accordingly, the trading volumes at the Delhi Stock Exchange Limited and Ahmedabad Stock Exchange Limited have gradually diminished and do not justify the payment of listing fees to them. The Company believes that no particular benefit is available to the shareholders of the company by continuing the listing of Ordinary (Equity) shares.

As per the recent Delisting of Securities Regulations, 2009 issued by Securities and Exchange Board of India (SEBI), an exit opportunity need not be provided to the shareholders of the Company on delisting of its Ordinary (Equity) shares from the Delhi Stock Exchange Limited and Ahmedabad Stock Exchange Limited provided the Ordinary (Equity) shares of the Company continue to be listed at BSE. The proposed voluntary delisting of the company's Ordinary (Equity) shares from the Delhi Stock Exchange Limited and Ahmedabad Stock Exchange Limited will, apart from the saving resulting from the non- payment of annual listing fees, it will also reduce a lot of administrative work. The delisting will not adversely affect any investors including the Shareholders located in the regions of Delhi Stock Exchange Limited and Ahmedabad Pradesh Stock Exchange Limited.

Pursuant to the Regulations issued by SEBI on voluntary delisting by companies of their securities from the Stock Exchanges, it is now proposed to seek the Shareholder's approval by way of a Special Resolution for voluntary delisting the company's Ordinary (Equity) shares from the Delhi Stock Exchange Limited and Ahmedabad Stock Exchange Limited.

Yours Directors recommend the resolution for the approval of the members.

Item No. 9 & 10

The existing Memorandum of Association (MOA) & Articles of Association (AOA) are based on the Companies Act, 1956 and several regulations in the existing MOA & AOA contain references to specific sections of the Companies Act, 1956 and some regulations in the existing AOA are no longer in conformity with the Act. With the coming into force of the Companies Act, 2013 several regulations of the existing AOA of the Company require alteration or deletions in several articles and as per the provisions of new Act, the MOA of the company requires certain amendments. Given this position, it is considered expedient to wholly replace the existing MOA & AOA by a new set of Memorandum & Articles of Association. The new MOA to be substituted in place of existing MOA is based on the Table 'A' of Schedule I of the Companies Act, 2013 and the new AOA to be substituted in place of the existing AOA is based on Table 'F' of Schedule I of the Companies Act, 2013 which sets out the model articles of association for a company limited by Shares.

None of the Promoters, Directors, Key Managerial Personnel of the Company and none of their relatives are deemed to be concerned or interested financially or otherwise in the said resolution.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2014

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of Preparation of Financial Statements:

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (“GAAP”) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as specified in the Companies (Accounting Standards) Rules, 2006 prescribed by the Central Government, relevant provisions of the Companies Act, 1956 (to the extent applicable), the Companies Act, 2013 (to the extent notified) and guidelines issued by the Securities and Exchange Board of India. As clarified by General Circular No. 08/2014 dated 4th April 2014 issued by the Ministry of Corporate Affairs, financial statements for the year ended 31st March 2014 have been prepared in accordance with the Companies Act, 1956. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Presentation and Disclosure of Financial Statements:

All assets and liabilities have been classified as current & non-current as per Company’s normal operating cycle and other criteria set out in the Revised Schedule VI to the Companies Act, 1956.

Based on the nature of products / services and time between acquisition of assets for processing / rendering of services and their realization in cash and cash equivalents, operating cycle is less than 12 months however for the purpose of current/non-current classification of assets & liabilities period of 12 months has been considered as its operating cycle.

c. Use of Estimates:

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the application of accounting policies, reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates and assumptions used in the preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates. Any difference between the actual results and estimates are recognized in the period in which the results are known / materialize. Any revision to accounting estimates is recognized prospectively in the current and future periods.

d. Fixed Assets:

Tangible assets are stated at cost of acquisition / construction less accumulated depreciation, amortization and accumulated impairment losses, if any.

Cost of fixed assets includes non - refundable taxes and duties, borrowing cost directly attributable to the qualifying asset and any directly attributable costs for bringing the asset to its working condition for its intended use

e. Depreciation/Amortization:

Depreciation is provided using written down value method on pro-rata basis at the rates prescribed under Schedule XIV of the Companies Act, 1956 except in respect of the following assets, which are depreciated at higher rates than the rates specified in the schedule XIV consequent to management’s estimate of useful life of the asset.

f. Investments:

a) Investments are classified into current and long-term investments.

b) Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments.

**NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2014**

- c) Current investments are carried at lower of cost and fair value (net asset value in case of units of mutual fund) determined on category wise basis. Long term investments are carried at cost. However, provision for diminution in value of long term investments is made to recognize a decline, other than temporary, on an individual investment basis. Investments in liquid mutual funds are classified as cash and cash equivalents.
- d) The cost of investments comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.
- e) Investment transactions are accounted for on a trade date basis. In determining the holding cost of investments and the gain or loss on sale of investments, the Weighted Average method is followed.

g. Revenue Recognition:

- a) Income from financing transaction is accounted for on basis of internal Rate of Return method
- b) All other incomes are accounted for on accrual basis.

h. Borrowing Costs:

Borrowing costs that are directly attributable to the acquisition, construction or development of a qualifying asset are capitalized as part of the cost of the respective asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset which necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest, exchange difference arising from foreign currency borrowings to the extent they are treated as an adjustment to the borrowing cost and other costs that an entity incurs in connection with the borrowing of funds.

i. Taxes on Income:

- a) Tax expenses comprise of current tax, deferred tax charge or credit and adjustments of taxes for earlier years.
- b) Provision for current tax is made as per the provisions of Income Tax Act, 1961.
- c) Deferred tax charge or credit reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years and are measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. Deferred tax assets are reviewed for the appropriateness of their respective carrying amounts at each balance sheet date. At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably/ virtually certain as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

j. Cash and Cash Equivalents:

Cash and cash equivalents include cash in hand, bank balances, deposits with banks (other than on lien) and all short term highly liquid investments / mutual funds that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2014

k. Cash Flow Statement:

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

l. Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of shares which could have been issued on conversion of all dilutive potential equity shares.

m. Provisions and Contingent liabilities:

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates. Provisions are recognized in the financial statements in respect of present probable obligations, for amounts which can be reliably estimated.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.
